SUPREME LUXURY EXPERIENCE

SINCE 1893

La calidad y belleza de los productos MARINER han sido con-
trastadas con gran éxito en los más diversos mercados de los
cinco continentes. Su vocación exportadora quedó confir-
mada al poco de nacer la empresa y, ya en 1915, MARINER
vendía sus productos en países de Europa y América.
Ferias como la de Milán (1927) o la de Filadelfia (1930) fue-
ron testigos de su presencia en el exterior hace muchas dé-
cadas. El Salón de la Iluminación en París, Elektro Messehaus
en Hannover, Euroluce en Milán, Herbst en Frankfurt, FINE en
Beirut, las Ferias del Mueble en París y Colonia, así como las
Ferias Internacionales del Mueble y la Iluminación en Valencia
-éstas desde su fundación-, son muestras de la introducción
de MARINER en los mercados internacionales que, en la ac-
tualidad, alcanza a más de cuarenta países.

*The quality and beauty of MARINER products have been suc-
cessfully tried and tested in a wide variety of markets on all five
continents. The company's international profile was confirmed
soon after it was founded in the 19th century, because by 1915
MARINER had already sold its products in various European
countries and the Americas.
Trade fairs such as Milan (1927) or Philadelphia (1930) stand
witness to MARINER's presence on the international market in
the early 20th century. The Lighting Show in Paris, Elektro Mes-
sehaus in Hannover, Euroluce in Milan, Herbst in Frankfurt, FINE
in Beirut or the Paris and Cologne Furniture Fairs, as well as
the International Furniture and Lighting Fairs in Valencia, Spain
-the latter since their inception- are all examples of MARINER's
international profile, which today extends to over forty different
countries around the world.*

Esa presencia y el reconocimiento que supone, se refleja en el diseño y creación de piezas singulares y únicas, verdaderas obras de arte. Edificios públicos y privados, hoteles, palacios, templos y teatros de los más recónditos lugares de todo el mundo, muchos de ellos de resonancia universal, albergan hoy muebles y lámparas de MARINER, como las piezas expresamente creadas para el Capitolio del Estado (Pensilvania), el Palacio Imperial (Tokio), el Patriarcado Armenio (Jerusalén), el Teatro Monumental Rebekah Harkness (Nueva York), La unión Musical (Lliria, España), el Hotel Doral Beach (Miami), el aeropuerto de Argel, la Residencia Oficial de Bata y la sala de Prensa del Aeropuerto de Malabo (Guinea Ecuatorial), la Residencia Oficial de Chechenia, las oficinas de una compañía petrolífera (Angola), el Palacio de Justicia de AbuDhabi o los Yates “Bistango” e “Integra Private Yacht”.

This experience on the market and the recognition it has brought is reflected in the design and creation of special pieces, personalized for each use. Public and private buildings, hotels, palaces, temples and theatres spread across the entire globe, many of which enjoy international fame, are homes to MARINER furniture and lamps today, such as the company’s special bespoke creations for the Pennsylvania State Capitol (USA), the Imperial Palace (Tokyo), the Rebekah Harkness Monumental Theatre (New York), the Musical Union (Lliria, Spain), the Armenian Patriarch (Jerusalem), the Hotel Doral beach (Miami, USA), the Alger Airport, the Official Residence in Bata and the Press Room of Malabo Airport (Equatorial Guinea), the Official Residence in Chechenia, the Petrol Company Offices (Angola), the Courthouse in AbuDhabi or the Yachts “Bistango” and “Integra Private Yacht.

Singular Pieces

En el presente catálogo, y bajo el título genérico De Occasional Pieces, recopilamos y mostramos todos aquellos muebles complementarios que no pertenecen expresamente a una determinada colección.

Modelos verdaderamente importantes en unos casos, o pequeños muebles auxiliares en otros, en muy diferentes estilos y acabados, para muy diversas funciones, pero siempre con la sensibilidad y calidad que ya resultan característicos en todos nuestros productos.

Under the generic title of occasional furniture, this catalogue showcases all our furniture pieces which do not belong to any particular collection.

In some cases these pieces are truly important models, and in other are smaller-sized occasional pieces. They come in very different styles and finishes, serving divers uses, but of course, they always reveal our traditional sensitivity and well-known quality of our products.
